Location: San Jose, Costa Rica

Within walking distance of Veritas University

## Internship description:

Work with a nonprofit, nongovernmental organization that aims to restore families who have been victims of commercial sexual exploitation or human trafficking, providing positive changes through education and life skill training with the hope of helping them to re-enter society and improving their overall quality of life.

## Application Requirements

- Advanced Spanish
- Previous social work experience
- Strong sense of sensitivity, empathy and compassion in working with diverse sectors of society
- Priority given to students majoring in social work

## POSSIBLE PROJECTS:

- Research international funding opportunities
- Assist with the coordination of events and presentations
- Help plan and organize fundraising events
- Attend lectures and training related to human rights
- Manage social media
